

# Business Directory

Dear Fairmount Temple Congregant,

In 2012, a committee of hard working and dedicated congregants created the first on-line Anshe Chesed Fairmount Temple Business Directory. Though we do not rate, evaluate or review the businesses listed we ***do recommend*** that you consider supporting these organizations, and the services provided by our temple members, as you go about making buying decisions. We believe by supporting a congregant's business we create a closer knit congregational community.

After you peruse the fascinating array of businesses listed you might consider printing the directory and keeping it at hand as you shop. If you call on one of the businesses please mention that you saw them listed in our directory.

Would you like your business included in this directory? It's **FREE!** To help us get started you will find a blank questionnaire at the end of the directory. Print it. Fill it out carefully. Drop the completed form off at the main temple office or fax to Steve Borstein at 216-464-3628.

Be healthy, be prosperous. As we start the New Year our temple leadership, clergy and staff wish you great success (*Hatzlacha*) in all walks of your life.

Sincerely,

Jim Levine  
Anshe Chesed Fairmount Temple
